Return of the Plant!

June 3–9, 2019

Celebrate Hip, Healthy Hemp Foods and the Return of Hemp Farming in the U.S!

Be a part of the 10th Annual Hemp History Week with the campaign's exclusive Restaurant Program! Feature hemp foods on your menu during the week of June 3–9, 2019.

Interested in new flavors and fun ingredients? Hemp seeds and oils are deliciously nutty and are a nearly perfect food source! Popular with nutritionists, hemp is high in digestible protein, healthy Omega essential fatty acids (EFAs) and naturally occurring minerals. As a dietary staple, hemp has won fans across the board, such as vegans and those seeking foods free of known allergens. Hemp extract and CBD support the endocannabinoid system. They are an exciting new add-in offered by cafés and juice bars, and are delicious and nutritious mixed into smoothies or coffees.

Hemp History Week is the largest national grassroots public education and marketing campaign to renew strong support for hemp farming in the U.S. Join leading restaurants and cafés across the nation who are using taste and creativity to spread the word: Celebrate Return of the Plant! Hemp farming is legal once again in the U.S!

Sign up to participate in this FREE program today!

Questions about the Hemp History Week Restaurant Program? Contact: events@hemphistoryweek.com

Participating Restaurants and Cafés receive:

- Your restaurant listed as a "Featured Event" on the Events page of www.hemphistoryweek.com (estimated over 40,000 views during Hemp History Week).
- Campaign kit, including campaign t-shirt (while supplies last), buttons, stickers, and postcards.
- Possible feature in web, events, PR and social media campaign.
- Campaign marketing materials for download including logos, posters, web and social media content.
- Your credited hemp recipe(s) featured on our website.

Restaurants and Cafés are getting involved by:

- Creating featured menu items including hemp during Hemp History Week.
- Spreading the word by displaying the Hemp History Week logo on chalk boards, menus, websites and through social media.
- Contributing their hemp foods recipes for use by the campaign's retail and grassroots networks.
- Offering a percentage of sales donated to help support our campaign
